

Instructions for authors

General terms:

- Only articles on orthopterans are considered for publication.
- Papers considered for publication should exclusively deal with Europe and Mediterranean topics.
- Papers should be as short and concise as possible. For papers longer than 25 pages please consult the editorial team.

Manuscript:

1. Tables should fit the print space (15 cm or less). Font size for tables should be at least 11 pt.
3. Figures (also Excel graphs) should be separately sent as high-resolution image files (JPG, TIF).
4. Please provide a German and an English Abstract.
5. References should be formatted according to the following style:

Articles:

MÜLLER, M. & MAIER, K. (1977): Eine neue Heuschrecke aus Jugoslawien (Orthoptera, Ensifera). – *Articulata* 1 (9): 127-128.

Books and monographs:

HARZ, K. (1957): *Die Geradflügler Mitteleuropas*. – Gustav Fischer, Jena; 495 p.

6. The **nomenclatory** of Central European taxa (both vernacular and scientific) should agree to the **checklists published in *Articulata Supplement 7* and *Articulata 10 (1) 1995***, respectively.
7. Manuscripts should be written in Microsoft Word ® for Windows and sent as e-mail attachments.
Please do not format the text, we use own prepress repros!!!

The editors reserve the right for cuts or style changes. Content changes and decisions on the printing of color figures will be discussed with the author.

The author will receive a PDF version of the article via e-mail.
